“Risk Management in Human Resources - Part I: Real Court Cases presented by an HR Attorney”

Robert M. Hoffer, JD
Head, Employment Law Division
DBL Law

Robert M. Hoffer heads DBL Law’s employment law division, which represents employers of all sizes including some of the largest throughout the Kentucky and Greater Cincinnati area. His employment law practice covers all issues impacting employers on a daily basis including compliance with the state and federal employment laws. In his career, Bob has worked closely with all state and federal administrative agencies including the EEOC, DOL, DOJ, Kentucky Commission on Human Rights, Kentucky Labor Cabinet and the Ohio Civil Rights Commission. A large part of Bob’s practice includes litigating employment cases in federal and state courts. Bob has represented hospitals and physicians for over 30 years on employment and medical negligence issues. He has successfully litigated many cases throughout the Commonwealth of Kentucky.

Overview: Our speaker will present real court cases and walk us through the circumstances leading to the cases as well as what could have been done to avoid the cases ever being brought to trial.

The sponsors for this month’s meeting are [ImageQuest](#) and [Fifth Third Insurance – Epic Insurance Solutions Agency](#).

[ImageQuest](#) is your premier technology services partner, providing comprehensive Managed IT, Compliance, and Cybersecurity services to clients in Tennessee, Kentucky and across the U.S. Our world-class team of savvy, experienced managers and engineers support your technology and help your

organization thrive in a cyber-secure data environment.

Tired of poor IT response while being nicked and dined to death? Cut your IT costs and hassles with our managed IT services. Our solutions free you up to concentrate on your most important business objectives – improving patient relationships, increasing revenue and protecting patient data.

Cyber threats are more prevalent and complex than ever before. There is no gray area. Your practice either takes HIPAA compliance seriously or you do not. There is no try. Our suite of compliance services suite includes HIPAA training, HIPAA risk assessments and authoring IT policies and procedures to include cyber incident and disaster recovery plans- all required by HHS.

At Fifth Third Insurance – Epic Insurance Solutions Agency, we pair industry expertise with high energy service to help our clients LOVE insurance.

We are an independent insurance agency which covers the traditional individual and family markets as well as medical malpractice and other types of business insurance. We work with multiple companies for insurance covering property, casualty, life, health, employee benefits, medical, dental and aviation insurance.

Fifth Third Insurance – Epic Insurance Solutions is endorsed by the Kentucky Medical Association (KMA). We have provided medical professional liability insurance for more than 50 years making us one of the most experienced medical malpractice agencies in Kentucky. We were the first agency in Kentucky to represent MagMutual Insurance Company, the largest mutual medical professional liability company in the southeastern United States, and we continue to insure more Kentucky physicians through MagMutual than any other agency in the state.

Fifth Third Insurance Agency, Inc., a subsidiary of Fifth Third Bancorp, added Epic Insurance Solutions and Integrity HR, a human resources consulting and outsourcing firm, to its team in November 2017. This acquisition allows all entities to help clients with their most pressing financial and risk management challenges by providing value-added services such as employee benefits, human resources consulting, property & casualty insurance, and personal insurance.
